

PRO XC Mixed Relays

presented by Performance Running Outfitters, WI USATF & Wisconsin Runner

The Mixed Relay was an event that debuted in the 2024 World Cross Country Championships in Serbia. This event last year was the first time a XC relay was conducted in the USA utilizing the World Athletics format.

The **PRO Mixed XC Relays** is a mixed relay event (male, female, male, female) with each team member running a 3000-meter leg. Teams do not have to be an “official” club team to participate. Just get three running friends! Meet management reserves the right to deny the use of submitted team names.
