REBEL INVITE 5K COURSE CHANGE

COURSE: Due to course damage due to extensive rain it is unlikely that the UWP grounds crew will be able to repair the damage that rain caused by race day. Thus we are going to conduct the 5K's on the Bill Greiten Brooks 5K course instead of the original UWP course. It has only been used for the Foot Locker/Brooks series (It is faster than the original course.) The 4K course is basically the first 4K of the Greiten course. Restricted areas will be roped off, coned or marked with signage. A digital display clock will provide the countdown for each race and one will provide splits at the 1, 2 & 3 mile marks. There will be timing mats at 1 mile, 2 mile & the finish to post LIVE RESULTS at: https://www.wisconsinrunner.com/results/2026/Racine_Horlick_Rebel_Invite/. Splits & results will also be posted to the finish line video board.

Once the first race of the day race has started, warm-ups on the course are limited to following the race in progress. Teams may not warm-up randomly on the course during the race in progress.
